EDUCATION

SEPTEMBER 2025 - PHD IN ECONOMICS
JUNE 2031 **University of California San Diego**, California, USA

SEPTEMBER 2021 - MASTER OF SCIENCE IN ECONOMICS
DECEMBER 2023 **University of Pisa & Sant'Anna School of Advanced Studies**, Italy
GPA: 30/30
GRADE: 110/110 cum laude with Honorable Mention
RELEVANT COURSES: Advanced Econometrics, Advanced Macroeconomics,
Advanced Microeconomics, Advanced Statistics, Mathematics
THESIS: *Modeling Macroeconomics Analysis: A Comparative Study of
Vector Autoregressive Models and Local Projections*
SUPERVISOR: Prof. Giuseppe Ragusa, Prof. Angela Parenti

SEPTEMBER 2021 - HONORS MASTER IN ECONOMICS AND MANAGEMENT
NOVEMBER 2024 **Sant'Anna School of Advanced Studies**, Italy
GPA: 29.5/30
RELEVANT COURSES: Applied Econometrics, Macroeconometrics, Programming,
Statistical Learning and Large Data
Year 1 THESIS: *Income Mobility and Inequality in Italy
An Empirical Study on Italian Residents from 2015 to 2019*
SUPERVISOR: Prof. Federico Tamagni

Year 2 THESIS: *A Monte Carlo Analysis of VARs and LPs in
a High-Dimensional Heteroskedastic Setting*
SUPERVISOR: Prof. Giuseppe Ragusa

SEPTEMBER 2018 - BACHELOR OF SCIENCE IN INTERNATIONAL ECONOMICS AND MANAGEMENT
JULY 2021 **Bocconi University**, Italy
GPA: 28.2/30
RELEVANT COURSES: International Macroeconomics, European Economic Policy, Public policy
THESIS: *The Repercussions of the Covid-19 Pandemic on Mental Health
and Substance Abuse in the US: a longitudinal study*
SUPERVISOR: Prof. Pamela Giustinelli

RESEARCH AND WORK EXPERIENCE

- MAY 2024 - *Present* Research assistant, **Now-Casting Economics Limited**
Developed the code for a B-DFM in Julia to compute nowcasts for macroeconomic variables, and comparing its performance to nowcasts generated using an EM-algorithm. Studied the integration of lead-lag dynamics, dynamic heterogeneity and stochastic volatility.
- APRIL 2024 - Trainee, **European Central Bank**, Germany
APRIL 2025 Internship in the Monetary Policy Strategy Division - Strategic issues section. Prepared analyses for the executive board ahead of Governing council meetings. Managed the Survey of Monetary Analysts, conducted related ad-hoc research. Estimated B-VAR analyses, co-authoring an ECB working paper on drivers of inflation (*in progress*).
- MAY 2023 - Research Assistant, **International Fund for Agricultural Development**, Italy
DECEMBER 2023 Provided research assistance for the UN agency, involved in the 50×2030 initiative targeting agricultural data disparity. Restructured and optimized agricultural data from Cambodia. Manipulated spatial and satellite data making use of FAO remote sensing database.
- SEPTEMBER 2022 - Junior Analyst, **Italian Ministry of Economic Development**, Italy
DECEMBER 2022 Conducted detailed macroeconomic analysis to be filed in monthly conjunctural notes. Assessing key econometric issues behind boosting evidence-based policy making.
- APRIL 2022 - Academic Tutor, **University of Pisa**, Italy
NOVEMBER 2022 Tutoring activity in statistics and mathematics for students with specific learning disorders (SLD). Delivered personalized instruction to undergraduate economics students, offering private lessons, notes, and visual aids designed to streamline their learning experience and fortify their exam preparation.
- SEPTEMBER 2022 - Intern, **Italian National Institute of Statistics**, Italy
DECEMBER 2022 Examined income statements of Italian individuals spanning from 2015 to 2019. Authored a research paper shedding light on income inequality and mobility across Italy. Identified factors enhancing and hampering intragenerational income mobility: constructed conditional transition probability matrices, constructed mobility indexes, estimated probit regressions.

HONORS AND AWARDS

- SUMMER 2025 - SUMMER RESEARCH FELLOWSHIP
Worked with Prof. Xinwei Ma on time series foundational models.
- MARCH 2024 - BANCA D'ITALIA GIORGIO MORTARA SCHOLARSHIP
Scholarship awarded by the Bank of Italy to outstanding graduates pursuing advanced study abroad in econometrics, statistics, and quantitative methods
- SEPTEMBER 2021 - SANT'ANNA SCHOOL OF ADVANCED STUDIES Scholarship
NOVEMBER 2024 Awarded one of two spots in a prestigious, government-funded scholarship program covering tuition, board, lodging, and travel grants. Maintained rigorous GPA requirements and completed additional coursework beyond standard curriculum.
Delivered yearly dissertations as a program mandate in addition to regular academic requirements.
Selected based on competitive performance and sustained high achievement to retain full scholarship benefits.
- FEBRUARY 2019 - PEKING UNIVERSITY DOUBLE DEGREE
Won a competitive selection to pursue an undergraduate double degree at Peking University.
Declined because of the Covid-19 pandemic.

PROJECTS AND COMPETITIONS

EUROPEAN BIG DATA HACKATHON - *Bruxelles, Belgium*

Selected as one of four teams from all EMOS universities to develop a policy-useful statistical prototype for the European Commission. Developed an application to evaluate and monitor on a daily basis competition dynamics in the EU by considering the evolution of market concentration indexes building on a random forest to predict firms' survival probability in each sector.
Pitched the developed prototype in the European Commission Charlemagne building.

INNOVATION KNOWLEDGE EXCHANGE COMPETITION - *New Jersey, United States*

Winner of the two-day competition capturing the event's \$10,000 team prize. Developed a multi-step strategy for achieving global health data coverage.
Proposal based on Secure Multiparty Computation technology to ensure data security and privacy.
Created an econometric model using panel data to assess the impact of key macro and microeconomic variables on country-level SDG 3 target coverage.

INTERNATIONAL YOUTH THINK TANK - *Gothenburg, Sweden*

Participated in the conference as one of 24 students selected out of 219 applicants.
Formulated and deliberated on policy recommendations designed to uphold democracy amidst current geo-political dynamics. Presented the conclusive report to a distinguished panel encompassing prominent Swedish policymakers, business leaders, legal experts, and scholars.
Co-authored and published the final report, For Democracy and Against Authoritarianism.

COMPUTER SKILLS

Programming languages:	Julia, Python
Statistical software:	R, Stata, Matlab
Data management & query:	SQL
Word processor & markup languages:	Microsoft Office, L ^A T _E X

LANGUAGES

ITALIAN: Mother tongue

ENGLISH: Proficient (Certificates: Cambridge English Advanced C2; TOEFL 115)

FRENCH: Fluent

CHINESE: Basic Knowledge (Certificate: HSK3)

SPANISH: Good Knowledge

VOLUNTEERING

- **Italian Red Cross**
- **Students for Humanity ODV**
- **Sailing Instructor at Centro Velico Caprera**

CONFERENCES AND SEMINARS

- **Now-casting Economics Seminar**
London Business School, London, November 2024
- **ECB Conference on Monetary Policy: Bridging Science and Practice**
European Central Bank, Frankfurt, October 2024
- **Local Projection Training Course with Òscar Jordà**
European Central Bank, Frankfurt, October 2024
- **Unlocking Potential: The Promise of Technology in Reducing Working Hours**
University of Gothenburg, Gothenburg, April 2024
- **Time Series Methods for Macroeconomic Analysis Summer School**
Barcelona School of Economics, Barcelona, June 2023
